Excisions: Excisions Recommended And Made

Reasons for excisions:

Nine excisions are required to remove particularly strong depictions of degrading, dehumanising and demeaning sexual conduct. The conduct and the manner of the conduct contributes to the publication having elements which are overtly contemptuous of women and which degrade, dehumanise and demean those involved to a high extent and degree. They include women being involved in a demeaning and hazardous practice and the manipulation of a woman which objectifies and depersonalises her.
